ABOUT MRS. HEDRICK

Birthday: August 15th

Family members: Matthew (husband), Kayden(son), Kaylie(daughter), Leia, Loki and Hunter (dogs)

College(s) attended:

Sacramento State University, San Diego State University, National University, San Francisco State University

Degrees:

Bachelor's in Liberal Studies Masters in Education Masters in Administration

Hobbies: I love watching and playing baseball! I love playing volleyball! I love doing anything that Kayden and Kaylie love to do, because I love being their mom!

Best school memory: I loved 3rd grade! My teacher created this classroom system where the kids ruled the school! We had fake money, elected officials, and I ran for Vice President and won! I remember so much about the legislative and judicial system because of that experience! Plus, I still remember learning the songs about multiplication from that year too! I had the best teachers on the planet!

Fun fact: I love to collect socks! I also love wearing mix matched socks to be silly!
